

FLORIDA NOTARY PUBLIC LAW

Section 117

117.01 APPOINTMENT, APPLICATION, SUSPENSION, REVOCATION, APPLICATION FEE, BOND, AND OATH.—

(1) The Governor may appoint as many notaries public as he or she deems necessary, each of whom shall be at least 18 years of age and a legal resident of the state. A permanent resident alien may apply and be appointed and shall file with his or her application a recorded Declaration of Domicile. The residence required for appointment must be maintained throughout the term of appointment. Notaries public shall be appointed for 4 years and shall use and exercise the office of notary public within the boundaries of this state. An applicant must be able to read, write, and understand the English language.

(2) The application for appointment shall be signed and sworn to by the applicant and shall be accompanied by a fee of \$25, together with the \$10 commission fee required by s. 113.01, and a surcharge of \$4, which \$4 is appropriated to the Executive Office of the Governor to be used to educate and assist notaries public. The Executive Office of the Governor may contract with private vendors to provide the services set forth in this section. However, no commission fee shall be required for the issuance of a commission as a notary public to a veteran who served during a period of wartime service, as defined in s. 1.01(14), and who has been rated by the United States Government or the United States Department of Veterans Affairs or its predecessor to have a disability rating of 50 percent or more; such a disability is subject to verification by the Secretary of State, who has authority to adopt reasonable procedures to implement this act. The oath of office and notary bond required by this section shall also accompany the application and shall be in a form prescribed by the Department of State which shall require, but not be limited to, the following information: full name, residence address and telephone number, business address and telephone number, date of birth, race, sex, social security number, citizenship status, driver license number or the number of other official state-issued identification, affidavit of good character from someone unrelated to the applicant who has known the applicant for 1 year or more, a list of all professional licenses and commissions issued by the state during the previous 10 years and a statement as to whether or not the applicant has had such license or commission revoked or suspended, and a statement as to whether or not the applicant has been convicted of a felony, and, if there has been a conviction, a statement of the nature of the felony and restoration of civil rights. The applicant may not use a fictitious or assumed name other than a nickname on an application for commission. The application shall be maintained by the Department of State for the full term of a notary commission. A notary public shall notify, in writing, the Department of State of any change in his or her business address, home telephone number, business telephone number, home address, or criminal record within 60 days after such change. The Governor may require any other information he or she deems necessary for determining whether an applicant is eligible for a notary public commission. Each applicant must swear or affirm on the application that the information on the application is true and correct.

(3) As part of the oath, the applicant must swear that he or she has read this chapter and knows the duties, responsibilities, limitations, and powers of a notary public.

(4) The Governor may suspend a notary public for any of the grounds provided in s. 7, Art. IV of the State Constitution. Grounds constituting malfeasance, misfeasance, or neglect of duty include, but are not limited to, the following:

- (a) A material false statement on the application.
- (b) A complaint found to have merit by the Governor.
- (c) Failure to cooperate or respond to an investigation by the Governor's office or the Department of State regarding a complaint.
- (d) Official misconduct as defined in s. 838.022.
- (e) False or misleading advertising relating to notary public services.
- (f) Unauthorized practice of law.
- (g) Failure to report a change in business or home address or telephone number, or failure to submit documentation to request an amended commission after a lawful name change, within the specified period of time.
- (h) Commission of fraud, misrepresentation, or any intentional violation of this chapter.
- (i) Charging fees in excess of fees authorized by this chapter.
- (j) Failure to maintain the bond required by this section.

(5)(a) If a notary public receives notice from the Department of State that his or her office has been declared vacant, the notary shall forthwith mail or deliver to the Secretary of State his or her notary commission.

(b) A notary public who wishes to resign his or her commission, or a notary public who does not maintain legal residence in this state during the entire term of appointment, or a notary public whose resignation is required by the Governor, shall send a signed letter of resignation to the Governor and shall return his or her certificate of notary public commission. The resigning notary public shall destroy his or her official notary public seal of office, unless the Governor requests its return.

(6) No person may be automatically reappointed as a notary public. The application process must be completed regardless of whether an applicant is requesting his or her first notary commission, a renewal of a commission, or any subsequent commission.

(7)(a) A notary public shall, prior to executing the duties of the office and throughout the term of office, give bond, payable to any individual harmed as a result of a breach of duty by the notary public acting in his or her official capacity, in the amount of \$7,500, conditioned for the due discharge of the office and shall take an oath that he or she will honestly, diligently, and faithfully discharge the duties of the notary public. The bond shall be approved and filed with the Department of State and executed by a surety company for hire duly authorized to transact business in this state.

(b) Any notary public whose term of appointment extends beyond January 1, 1999, is required to increase the amount of his or her bond to \$7,500 only upon reappointment on or after January 1, 1999.

(c) Beginning July 1, 1996, surety companies for hire which process notary public applications, oaths, affidavits of character, and bonds for submission to the Department of State must properly submit these documents in a software and hard copy format approved by the Department of State.

(8) Upon payment to any individual harmed as a result of a breach of duty by the notary public, the entity who has issued the bond for the notary public shall notify the Governor of the payment and the circumstances which led to the claim.

117.021 ELECTRONIC NOTARIZATION.—

(1) Any document requiring notarization may be notarized electronically. The provisions of ss. 117.01, 117.03, 117.04, 117.05(1)-(11), (13), and (14), 117.105, and 117.107 apply to all notarizations under this section.

(2) In performing an electronic notarial act, a notary public shall use an electronic signature that is:

- (a) Unique to the notary public;
- (b) Capable of independent verification;
- (c) Retained under the notary public's sole control; and
- (d) Attached to or logically associated with the electronic document in a manner that any subsequent alteration to the electronic document displays evidence of the alteration.

(3) When a signature is required to be accompanied by a notary public seal, the requirement is satisfied when the electronic signature of the notary public contains all of the following seal information:

- (a) The full name of the notary public exactly as provided on the notary public's application for commission;
- (b) The words "Notary Public State of Florida";
- (c) The date of expiration of the commission of the notary public; and

(d) The notary public's commission number.

(4) Failure of a notary public to comply with any of the requirements of this section may constitute grounds for suspension of the notary public's commission by the Executive Office of the Governor.

(5) The Department of State may adopt rules to ensure the security, reliability, and uniformity of signatures and seals authorized in this section.

117.03 ADMINISTRATION OF OATHS.—A notary public may administer an oath and make a certificate thereof when it is necessary for the execution of any writing or document to be published under the seal of a notary public. The notary public may not take an acknowledgment of execution in lieu of an oath if an oath is required.

117.04 ACKNOWLEDGMENTS.—A notary public is authorized to take the acknowledgments of deeds and other instruments of writing for record, as fully as other officers of this state.

117.045 MARRIAGES.—A notary public is authorized to solemnize the rites of matrimony. For solemnizing the rites of matrimony, the fee of a notary public may not exceed those provided by law to the clerks of the circuit court for like services.

117.05 USE OF NOTARY COMMISSION; UNLAWFUL USE; NOTARY FEE; SEAL; DUTIES; EMPLOYER LIABILITY; NAME CHANGE; ADVERTISING; PHOTOCOPIES; PENALTIES.—

(1) No person shall obtain or use a notary public commission in other than his or her legal name, and it is unlawful for a notary public to notarize his or her own signature. Any person applying for a notary public commission must submit proof of identity to the Department of State if so requested. Any person who violates the provisions of this subsection is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(2)(a) The fee of a notary public may not exceed \$10 for any one notarial act, except as provided in s. 117.045.

(b) A notary public may not charge a fee for witnessing an absentee ballot in an election, and must witness such a ballot upon the request of an elector, provided the notarial act is in accordance with the provisions of this chapter.

(3)(a) A notary public seal shall be affixed to all notarized paper documents and shall be of the rubber stamp type and shall include the words "Notary Public-State of Florida." The seal shall also include the name of the notary public, the date of expiration of the commission of the notary public, and the commission number. The rubber stamp seal must be affixed to the notarized paper document in photographically reproducible black ink. Every notary public shall print, type, or stamp below his or her signature on a paper document his or her name exactly as commissioned. An impression-type seal may be used in addition to the rubber stamp seal, but the rubber stamp seal shall be the official seal for use on a paper document, and the impression-type seal may not be substituted therefor.

(b) The notary public official seal and the certificate of notary public commission are the exclusive property of the notary public and must be kept under the direct and exclusive control of the notary public. The seal and certificate of commission must not be surrendered to an employer upon termination of employment, regardless of whether the employer paid for the seal or for the commission.

(c) A notary public whose official seal is lost, stolen, or believed to be in the possession of another person shall immediately notify the Department of State or the Governor in writing.

(d) Any person who unlawfully possesses a notary public official seal or any papers or copies relating to notarial acts is guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.

(g) The notary's official signature.

(h) The notary's name, typed, printed, or stamped below the signature.

(i) The notary's official seal affixed below or to either side of the notary's signature.

(5) A notary public may not notarize a signature on a document unless he or she personally knows, or has satisfactory evidence, that the person whose signature is to be notarized is the individual who is described in and who is executing the instrument. A notary public shall certify in the certificate of acknowledgment or jurat the type of identification, either based on personal knowledge or other form of identification, upon which the notary public is relying.

(a) For purposes of this subsection, "personally knows" means having an acquaintance, derived from association with the individual, which establishes the individual's identity with at least a reasonable certainty.

(b) For the purposes of this subsection, "satisfactory evidence" means the absence of any information, evidence, or other circumstances which would lead a reasonable person to believe that the person whose signature is to be notarized is not the person he or she claims to be and any one of the following:

1. The sworn written statement of one credible witness personally known to the notary public or the sworn written statement of two credible witnesses whose identities are proven to the notary public upon the presentation of satisfactory evidence that each of the following is true:

b. That the person whose signature is to be notarized is personally known to the witnesses;

d. That it is the reasonable belief of the witnesses that the person whose signature is to be notarized does not possess any of the identification documents specified in subparagraph 2.; and

e. That the witnesses do not have a financial interest in nor are parties to the underlying transaction; or

2. Reasonable reliance on the presentation to the notary public of any one of the following forms of identification, if the document is current or has been issued within the past 5 years and bears a serial or other identifying number:

- i. An identification card issued by the United States Bureau of Citizenship and Immigration Services.

(6) The employer of a notary public shall be liable to the persons involved for all damages proximately caused by the notary's official misconduct, if the notary public was acting within the scope of his or her employment at the time the notary engaged in the official misconduct.

(7) Any person who acts as or otherwise willfully impersonates a notary public while not lawfully appointed and commissioned to perform notarial acts is guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.

(8) Any notary public who knowingly acts as a notary public after his or her commission has expired is guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.

(9) Any notary public who lawfully changes his or her name shall, within 60 days after such change, request an amended commission from the Secretary of State and shall send \$25, his or her current commission, and a notice of change form, obtained from the Secretary of State, which shall include the new name and contain a specimen of his or her official signature. The Secretary of State shall issue an amended commission to the notary public in the new name. A rider to the notary public's bond must accompany the notice of change form. After submitting the required notice of change form and rider to the Secretary of State, the notary public may continue to perform notarial acts in his or her former name for 60 days or until receipt of the amended commission, whichever date is earlier.

(10) A notary public who is not an attorney who advertises the services of a notary public in a language other than English, whether by radio, television, signs, pamphlets, newspapers, or other written communication, with the exception of a single desk plaque, shall post or otherwise include with the advertisement a notice in English and in the language used for the advertisement. The notice shall be of a conspicuous size, if in writing, and shall state: "I AM NOT AN ATTORNEY LICENSED TO PRACTICE LAW IN THE STATE OF FLORIDA, AND I MAY NOT GIVE LEGAL ADVICE OR ACCEPT FEES FOR LEGAL ADVICE." If the advertisement is by radio or television, the statement may be modified but must include substantially the same message.

(11) Literal translation of the phrase "Notary Public" into a language other than English is prohibited in an advertisement for notarial services.

(12)(a) A notary public may supervise the making of a photocopy of an original document and attest to the trueness of the copy, provided the document is neither a vital record in this state, another state, a territory of the United States, or another country, nor a public record, if a copy can be made by the custodian of the public record.

(b) A notary public must use a certificate in substantially the following form in notarizing an attested copy:

117.10 LAW ENFORCEMENT AND CORRECTIONAL OFFICERS; ADMINISTRATION OF OATHS.—

(1) For purposes of this section, the term “reliable electronic means” means the signing and transmission of a document through means compliant with criminal justice information system security measures. Such signing and transmission must be made by an affiant to an officer authorized to administer oaths under subsection (2) under circumstances that indicate that the document was submitted by the affiant.

(2) Law enforcement officers, correctional officers, and correctional probation officers, as defined in s. 943.10, and traffic accident investigation officers and traffic infraction enforcement officers, as described in s. 316.640, are authorized to administer oaths by reliable electronic means or in the physical presence of an affiant when engaged in the performance of official duties. Sections 117.01, 117.04, 117.045, 117.05, and 117.103 do not apply to this section. An officer may not notarize his or her own signature.

(3) An oath administered pursuant to this section is an acceptable method of verification as provided under s. 92.525.

117.103 CERTIFICATION OF NOTARY’S AUTHORITY BY SECRETARY OF STATE.—A notary public is not required to record his or her notary public commission in an office of a clerk of the circuit court. If certification of the notary public’s commission is required, it must be obtained from the Secretary of State. Upon the receipt of a written request and a fee of \$10 payable to the Secretary of State, the Secretary of State shall issue a certificate of notarial authority, in a form prescribed by the Secretary of State, which shall include a statement explaining the legal qualifications and authority of a notary public in this state.

117.105 FALSE OR FRAUDULENT ACKNOWLEDGMENTS; PENALTY.—A notary public who falsely or fraudulently takes an acknowledgment of an instrument as a notary public or who falsely or fraudulently makes a certificate as a notary public or who falsely takes or receives an acknowledgment of the signature on a written instrument is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

117.107 PROHIBITED ACTS.—

(1) A notary public may not use a name or initial in signing certificates other than that by which the notary public is commissioned.

(2) A notary public may not sign notarial certificates using a facsimile signature stamp unless the notary public has a physical disability that limits or prohibits his or her ability to make a written signature and unless the notary public has first submitted written notice to the Department of State with an exemplar of the facsimile signature stamp.

(3) A notary public may not affix his or her signature to a blank form of affidavit or certificate of acknowledgment and deliver that form to another person with the intent that it be used as an affidavit or acknowledgment.

(4) A notary public may not take the acknowledgment of or administer an oath to a person whom the notary public actually knows to have been adjudicated mentally incapacitated by a court of competent jurisdiction, where the acknowledgment or oath necessitates the exercise of a right that has been removed pursuant to s. 744.3215(2) or (3), and where the person has not been restored to capacity as a matter of record.

(5) A notary public may not notarize a signature on a document if it appears that the person is mentally incapable of understanding the nature and effect of the document at the time of notarization.

(6) A notary public may not take the acknowledgment of a person who does not speak or understand the English language, unless the nature and effect of the instrument to be notarized is translated into a language which the person does understand.

(7) A notary public may not change anything in a written instrument after it has been signed by anyone.

(8) A notary public may not amend a notarial certificate after the notarization is complete.

(9) A notary public may not notarize a signature on a document if the person whose signature is being notarized is not in the presence of the notary public at the time the signature is notarized. Any notary public who violates this subsection is guilty of a civil infraction, punishable by penalty not exceeding \$5,000, and such violation constitutes malfeasance and misfeasance in the conduct of official duties. It is no defense to the civil infraction specified in this subsection that the notary public acted without intent to defraud. A notary public who violates this subsection with the intent to defraud is guilty of violating s. 117.105.

(10) A notary public may not notarize a signature on a document if the document is incomplete or blank. However, an endorsement or assignment in blank of a negotiable or nonnegotiable note and the assignment in blank of any instrument given as security for such note is not deemed incomplete.

(11) A notary public may not notarize a signature on a document if the person whose signature is to be notarized is the spouse, son, daughter, mother, or father of the notary public.

(12) A notary public may not notarize a signature on a document if the notary public has a financial interest in or is a party to the underlying transaction; however, a notary public who is an employee may notarize a signature for his or her employer, and this employment does not constitute a financial interest in the transaction nor make the notary a party to the transaction under this subsection as long as he or she does not receive a benefit other than his or her salary and the fee for services as a notary public authorized by law. For purposes of this subsection, a notary public who is an attorney does not have a financial interest in and is not a party to the underlying transaction evidenced by a notarized document if he or she notarizes a signature on that document for a client for whom he or she serves as an attorney of record and he or she has no interest in the document other than the fee paid to him or her for legal services and the fee authorized by law for services as a notary public.

117.108 VALIDITY OF ACTS, SEALS, AND CERTIFICATES PRIOR TO JANUARY 1, 1995.—A notarial act performed, a notarial certificate signed, or a notarial seal used by any notary public before January 1, 1995, which would have been valid under the laws in effect in this state on January 1, 1991, is valid.
